ONE-STOP

DESIGN & PRINTING SERVICES FOR YOUR BRAND

At Craftwerkz, we offer a one-stop solution to our clients, from design, materials selection, production right up the delivery of product to their doorstep. We'll help you create eye-catching design & material for your business.

Design & Consultancy

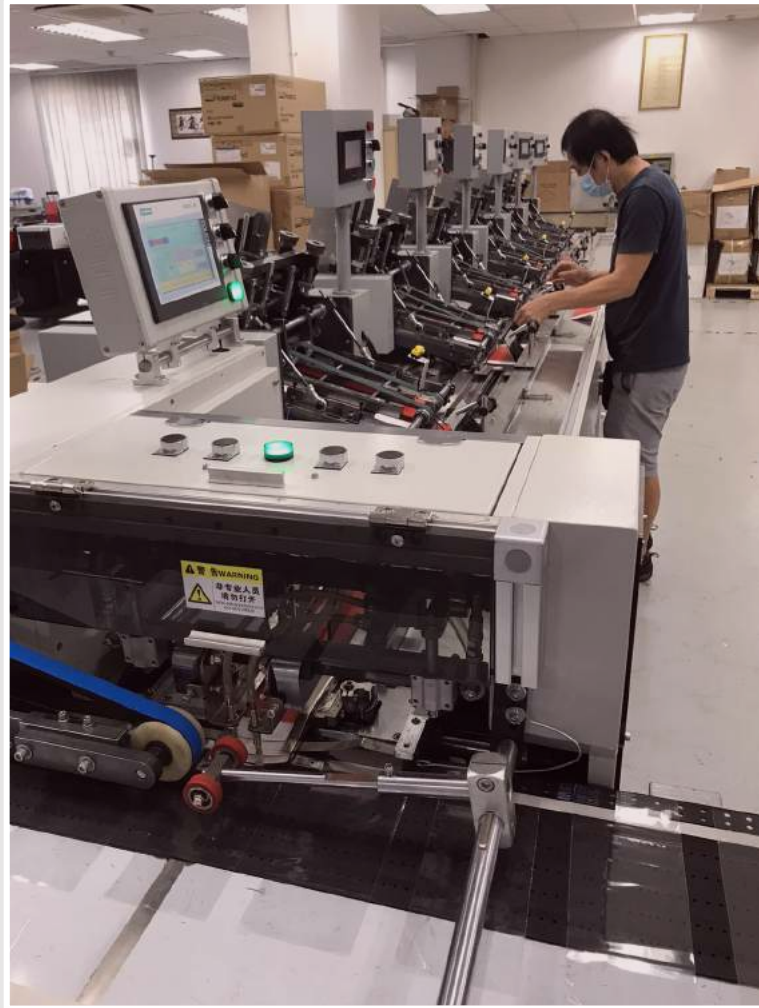

Equipped with years of experience, our creative-gift experts along with in-house designers seek to explore and understand each clients' unique needs and put in all efforts to propose the best solution to convey their brand proposition and marketing messages.

Production

With production facilities in Singapore, Malaysia, & China (Guangzhou), we are able to execute a wide range of print and post-print processes to cater to our client's varied needs. We constantly invest in innovations and discovering better and more efficient production methods which translate to lower cost for us and our customers.

Fulfilment

By meticulously monitoring every step of the manufacturing & production process, coupled with our warehousing solutions, we are confident and capable of delivering the finished goods to our customers exactly when and where they want it.

PRINTING EQUIPMENT & TECHNOLOGY

Craftwerkz emphasizes on using the best printing equipment and technology. Our core value to provide the best quality make us stay ahead among current trends and ensure constant upgrade of skills and machines. Providing the best impressions and designs on paper, being cost efficient, on-time delivery and eliminating any kind of inconvenience is facilitated by our creative gift experts and finest printing equipment. At Craftwerkz, we leverage highly on creativity on various sets of designs. From deciding the kind of material to the best printing methods, we offer you the most unique collection of products for all occasions.
